# Europe Emoji Quest Rules

Choose to play any Level you want

## Level 1 - Easy Quest

(game board, 1 Green dice, 1 Red dice, Tokens for each player/team, cards with emojis)

1. Each player or team has an equal number of emoji cards.
2. The youngest player, or the team with the youngest player, plays first.
3. Each player or team rolls two dice (one Green and one Red).
4. The number on the Green dice indicates how many spaces the player or team moves forward.
5. After moving forward, the player or team chooses another player or team to move backward according to the number on the Red dice.
6. The chosen player or team must decide to move backward or pay with emoji cards according to the number on the Red dice.
7. The winning team is the first to reach the finish line (space 30) with at least one emoji card remaining.

## Level 2 - Moderate Quest

(game board, 1 Green dice, 1 Red dice, Tokens for each player/team, cards with emojis, hourglass)

1. Place the cards with the emojis face down in a pile.
2. The youngest player, or the team with the youngest player, plays first.
3. Each player or team rolls one Green dice and moves forward according to the number rolled.
4. The player or team picks a card and tries to guess which country the emoji represents.
5. If the answer is correct, the player or team rolls the Red dice and instructs another player or team to move backward according to the number rolled.
6. If the answer is incorrect, the player or team moves backward one space.
7. The winning team is the first to reach the finish line (space 30).

## Level 3 - Advanced Quest

This game is played in teams and it is the same as the Moderate Quest, with the difference that the player who picks a card mimes the emoji to their team, and the team must guess the correct country.
